### NOTHING SLOW ABOUT JOHNSON

In the three months in which  
Governor Johnson, of California,  
has held office, he and the Legis-  
lature, which has been in sympathy  
with him, have made much progress  
in the way of redeeming platform  
pledges. While all the projects  
initiated by him may not appeal to  
citizens who believe in the stability  
of government, no one can accuse  
the Governor of not setting time by  
the forelock. The initiative, refer-  
endum, recall and woman's suffrage  
were submitted to the people, the  
authority of the state railroad com-  
mission was increased, a law lim-  
iting the employment of women was  
passed, the party circle was abol-  
ished and a shorter ballot pro-  
vided, the Oregon Senatorial plan  
was established, an employers' li-  
ability law was enacted and commis-  
sion was appointed to conserve the  
natural resources of the state.

## GRIFFITH IS TO HAVE A HIGH SCHOOL

Another Lake County Town  
Takes Flyer in Higher  
Education.

(Special to THE TIMES.)  
Griffith, Ind., April 27.—Griffith will  
have a high school next year. So the  
school board decided at their regular  
meeting last evening. The question  
was carried unanimously, every mem-  
ber of the board giving their hearty  
support. In all probability only the  
first car will be put in when school  
opens next fall but as requirements  
demand the work will be extended.

With the new school building well  
equipped, the board is determined to  
put the schools here at the very top,  
so that they will be second to none in  
the county. A feature which will aid  
them immeasurably is the public  
spirited and hearty support of every  
citizen of the town. The same corps  
of teachers was engaged again for next  
year. Miss Mary Bennett will have  
charge of the primary grades in room  
one, Miss Laura Lennertz will be re-  
tained in room two and J. W. Hough  
and F. W. Love will have the higher  
grades and high school.

The salary of the teachers of the  
grades up to the 5th was placed at  
\$70.00 and that of the teachers of the  
higher grades at \$85.00 per month. It  
is possible that other teachers will be  
engaged if necessary demands.

## INVITATION TO JOIN CLUB GENERAL

Several hundred invitations were  
sent out all over the county today by  
the local committee in charge of the  
organization of the Lake County  
Country Club inviting citizens to be-  
come members of the club.

A meeting of the membership com-  
mittee will be held at the University  
Club rooms at Hammond next Saturday  
afternoon when the matter of the  
permanent organization of the club  
will be taken up. The following is the  
letter which was sent out by the com-  
mittee:

Dear Sir:—A party of gentlemen  
from Gary, Hammond, East Chicago  
and Crown Point are considering the  
organization of a Country Club. We  
are negotiating for the Tollefson Gun  
Club buildings and grounds. The  
buildings are completely furnished and  
contain large lounge rooms, dining  
rooms, kitchen, over twenty sleeping  
rooms, servants rooms, barns, ice house  
and keeper's lodge. The grounds are  
beautiful. There are many large na-  
tive trees, good lawns, fruit trees,  
gardens, etc. We propose to lay out a  
nine hole golf and tennis courts at  
once.

## KEEPS ASSESSORS ON THE JUMP

County Assessor John McFadden and  
a force of nearly a score of assistants  
are busy at the present time with their  
annual assessment of personal property  
and real estate in Calumet township.

The duties of the assessor in Calumet  
township this year are greater  
than ever before with the additional  
construction at the steel plant, the  
American Bridge company and the  
American Sheet and Tin Plate com-  
pany and the scores of tracts of land  
that have been subdivided and sold as  
lots.

Assessor McFadden must have his work  
completed by May 15th the time  
scheduled for the township assessors to  
turn their work over to the county  
auditor.

## LAWYER GETS STERN REBUKE

Judge Walter J. Riley Sets  
Precedent by Refusing to  
Permit Accused Lawyer  
to Practice in His Court  
Unless Mandated to Do So.

(Special to THE TIMES.)  
East Chicago, Ind., April 27.—At-  
torney A. C. Folea, who was arrested  
a short while ago on a charge of ob-  
taining money under false pretenses,  
and who following the nolle prosequi  
of his case, made sensational dis-  
closures which reflected upon other al-  
leged accomplices, was given a stern  
rebut by Judge Riley yesterday, when  
his honor ordered him out of the en-  
closure set aside for lawyers in his  
court room and refused to permit him  
to practice before him. Folea threat-  
ens mandamus proceedings to compel  
Judge Riley to countenance him.

Folea had been retained to assist in  
the prosecution of John Lippus, who  
on April 17 is alleged to have stabbed  
Joe Zenczek. The case was called be-  
fore Judge Riley yesterday and Folea  
appeared in behalf of his client, Judge  
Riley called the attorney before him  
and quietly informed him that he could  
not practice in his court. Folea never-  
theless seated himself within the  
lawyers enclosure, and Judge Riley  
after a few moments said: "Perhaps  
after a few moments said: "Perhaps  
you did not understand me, Mr. Folea,  
I just now informed you that you must  
get out of here. It is less than ten  
days since you appeared before me on  
a charge of obtaining money under false  
pretenses. You alleged at that time  
that you had divided up your spoils  
with others, and practically admitted  
your own guilt. In view of these  
facts, I do not deem you a fit person to  
practice your profession and I will not  
permit you to do so in my court."

Folea started to protest, but Judge  
Riley firmly told him he did not care  
to hear from him, and the lawyer,  
white to the lips, got up and passed  
outside the railing.

Judge Riley was asked later in the  
day if he intended to abide by his de-  
cision. "Yes," assented the jurist. "I  
will not have a mad of Folea's caliber  
practice in my court, unless a higher  
court than mine decides that I must."

The hearing in the Lippus case was  
postponed until next Saturday.

## GARY WILL NOT BE IN LEAGUE

Gary will not be represented in the  
Northern Indiana Baseball Association.  
This was officially decided at a meet-  
ing of the association in Hammond last  
Tuesday night when C. H. Mullen and  
Herbert Erickson of Gary who were  
willing to post their forfeit as a guar-  
antee, were turned down.

Instead a Chicago man by the name  
of "Buck" Veiher was given the fran-  
chise and claims that he will organize  
a team of Chicago players who will  
enter the association under the name  
of Gary.

As far as Mr. Veiher is concerned, he  
is an unknown quantity in Gary and a  
storm of protest has gone up by Gary  
base ball fans when it became known  
that Gary's place had been stolen in  
the league. Why the association  
should have given a Chicago base ball  
manager the franchise to use the name  
of Gary and organize a team composed  
of Chicago players is hard to under-  
stand in Gary and stories are out to-  
day that a frame up with between the  
manager of a certain team in the  
league and Mr. Veiher is at the bottom  
of it.

"It would not be so bad if Mr. Veiher  
would have come to Gary and secured  
the services of a few Gary players,"  
said a prominent Gary base ball fan  
today, "but if he organizes a Chicago  
team and uses the name of Gary he will  
get no support from the fans of the  
steel town. Gary is loyal to a team  
from their home town but they will  
give the cold shoulder to any propo-  
sition of a Chicago manager purporting  
to represent Gary with an aggregation  
of Chicago players."

Messrs. Mullen and Erickson stated  
yesterday afternoon upon their return  
to Gary that they would take steps im-  
mediately to organize an independent  
Gary team which would be ready to  
put on the field within a few weeks.

THERE'S A CHANCE THAT YOU  
OUGHT NOT TO POSTPONE THAT  
"SHOPPING" ANY LONGER. READ  
THE TIMES' ADS AND SEE IF THIS  
IS NOT SO.

## KNOTTY WHISKER QUESTION TO BACK TARIFF DISCUSSION OFF BOARDS

A joint debate, notable in the  
annals of Washington, is to be held  
in the assembly room of the Nation-  
al Press Club on the evening of  
May 2. Senator John W. Kern, of  
Indiana, former Speaker Cannon, of  
Illinois, Representative Nicholas  
Longworth, of Ohio, spoken as pos-  
sible ambassador to Germany and  
Representative Ollie James, of Ken-  
tucky, one of the Democratic lead-  
ers of the House, are to be the par-  
ticipants.

President Taft has displayed the keen-  
est interest in the meeting and  
Speaker Champ Clark is to be pres-  
ent in an advisory capacity. The  
debate, however, is to be nonpartisan.  
The question at issue is of  
world-wide importance. This is it:  
"Resolved, that whiskers are a  
greater detriment to a man than a  
bald head."

The affirmative has been placed  
in the hands of Messrs. James and  
Longworth, who long ago lost inter-  
est in the price of a hair cut. The  
negative will be warmly upheld by  
Messrs. Kern and Cannon. The  
former wears a beard of the type  
of Justice Charles K. Hughes,  
while the latter has a Lincoln-like  
hirsute adornment.

## TWIN CITY READY FOR THE SHOW

(Special to THE TIMES.)  
Indiana Harbor, Ind., April 27.—The  
financial, booth and publicity com-  
mittees of the real estate show met at  
the Commercial club rooms last night  
and completed arrangements for the lo-  
cal exhibit.

J. W. Maxwell has been engaged to  
handle the exhibits and will spend the  
day assembling them. Tomorrow he  
will take his material to Chicago for  
installation in the Coliseum.

The managers of the real estate show  
have been authorized by the commit-  
tees to secure two men to guard the  
exhibit while they are in the Colise-  
um. The men will exchange watches  
and the booths will never be without  
an attendant during the entire pro-  
gress of the show.

It was also arranged that different  
members of the Commercial club take  
turns in being on hand at the show for  
the purpose of distributing literature  
and answering all questions that might  
be asked pertaining to the two towns.  
Tomorrow Judge Walter J. Riley,

## FOUR HURT IN AUTO WRECK

Two Machines Collide on  
the Famous Cedar Lake  
Course; Gary Men Escape  
Injury, But Several in  
Chicago Heights Car Hurt.

SEASON'S AUTO ACCI- DENTS IN REGION	
INJURED IN REGION	15
AUTOS WRECKED	8

(Special to THE TIMES.)  
Crown Point, Ind., April 27.—Two  
automobiles, one occupied by a Gary  
party and the other by four men from  
Chicago Heights collided last night on  
the Cedar Lake road near the Half Way  
house. One man in the Chicago  
Heights party sustained a broken col-  
lar bone but the others in his machine  
escaped with slight scratches and  
bruises. Two of the Chicago Heights  
people gave their names as Hobbs and  
Gren the druggist.

The Gary car was bound for Cedar  
Lake and was occupied by Harry Wil-  
liams and four Gary men. The Chicago  
Heights party was returning from  
Cedar Lake and met the Garyites about  
10:20. The road where the machines  
passed each other is very narrow. They  
came together with the result that the  
Chicago Heights machine went down a  
ten foot embankment where it was  
wrecked while the Gary machine was  
scratched, and somewhat damaged but  
not enough to prevent the party from  
continuing their trip to Cedar Lake.

gram of public exercises and ceremony  
usually accompanying such occasions

the pastor, who will be in charge of  
the program, is arranging it with a  
view to making it especially interest-  
ing and attractive. The Rev. Chas.  
Bayard Mitchell, D. D., pastor of the  
St. James Methodist Episcopal church  
of Chicago, has been secured to make  
the address on the laying of the stone.  
Dr. Mitchell is one of the leading min-  
isters of the city of Chicago, and one of  
the leading ministers of the confere-  
nce. He is the successor of Bishop  
Wm. A. Quayle as pastor at St.  
James church. Dr. Quayle having been  
elected bishop in 1908. His address is  
expected to be one of the best ever  
given in Indiana Harbor. Rev. A. T.  
Briggs, D. D., district superintendent,  
will be present and take part in the  
service, as will also several of the  
pastors of the nearby cities, and the  
pastors of the other churches in the  
city. The service will begin at half  
past two o'clock and will last probably  
until 4 o'clock. In case of rain the  
exercises will be held in the K. of P.  
hall.

the usual hours during the day. The  
pastor will preach morning and even-  
ing.

cent meeting of the Liquor Dealers

RIOT CASES ON TRIAL.  
The work of trying the famous Gary  
riot cases, which resulted from the fac-  
tional fights between the electricians  
of Gary, began at Crown Point today.  
John Keller and others are being  
tried. The work of getting the jury  
has taken up most of the morning. It  
is expected that the trial of these cases  
will last two days.

## LATEST NEWS

Chicago, April 27.—George L.  
Voorhees, formerly of Crown Point,  
principal of the Samuel B. Morse  
Public School, in Chicago, and his  
bride, who was Miss Giralda Farrar,  
took up their residence today at 3821  
Lowell avenue. They were married  
Wednesday by Rev. George Carswell.  
Thus are two mental "soulmates"  
united. Both Voorhees and his pres-  
ent wife divorced their former  
marital companions, who, they aver-  
red, had failed to develop a proper  
intellectual sympathy. After living  
twenty years with his first wife,  
Voorhees six years ago formed a sep-  
aration agreement with her. She  
went to a farm near Alton to support  
her seven children. Two years ago  
Voorhees secured his decree on the  
ground of desertion.

Chicago, April 27.—William J.  
Burns, upon arriving in Chicago to-  
day from Indianapolis, laughed at  
his arrest in connection with the al-  
leged kidnapping of John J. Mc-  
Namara, union leader, and reiterated  
his statement that his evidence  
point conclusively to the guilt of the  
McNamaras and Orrie E. McManigal,  
in the Los Angeles Times explosion.

French Lick, Ind., April 27.—"All"  
Brown's gambling palace is doing the  
best business in its history, accord-  
ing to men who have been visiting  
the rooms for a week past. Poker  
games, roulette and faro and all  
kinds of slot machine devices are in  
operation all night. The crowd in-  
cludes many women. It is the opin-  
ion of many that the talk of suppress-  
ing gambling here has been a great  
advertisement for the Brown hotel.

Laporte, Ind., April 27.—G. H.  
Hull, assessor of Center Township,  
Laporte County, has started an in-  
quiry to learn what became of the  
fund raised by Indiana Township  
assessors and their deputies last Win-  
ter to be used in obtaining the pas-  
sage by the recent Legislature of a  
bill to increase the pay of assessors  
and their deputies. Mr. Hull  
that as such \$4,000 of \$5,000 was  
raised and that the bill did not get  
any further than a committee.

New York, April 27.—The Ameri-  
can Iron and Steel Institute, which  
was organized in 1908 by E. H. Gary  
and other prominent steel men to  
deal with all matters connected with  
the development of the iron and steel  
industry, will make the amelioration  
of the condition of the employees of  
the various steel manufacturing com-  
panies throughout the country a  
special feature of its work from now  
on.

## NEW CASES IN SUPERIOR COURT

al. Quiet title.

## QUITS RAILROAD FOR STEEL WORKS

Warren J. Lynch, who has re-  
signed as passenger traffic manager  
of the New York Central lines west  
of Buffalo to become vice president  
of the American Steel Foundries,  
with headquarters in New York, en-  
tered railway service in 1883 as a  
clerk in the auditor's office of the  
Cleveland, Columbus, Cincinnati  
& Indianapolis Railway at  
Cleveland. He advanced rapidly  
and became passenger traffic man-  
ager of the New York Central lines  
in the territory west of Buffalo, De-  
cember 1, 1905. Mr. Lynch's re-  
signation will be effective May 1.
